

## Socialisation Chart

This table is a list of things your puppy will need to be socialised with to become a happy confident adult dog. Some of these may seem unnecessary to you, but you cannot predict how your circumstances may change and it is best to prepare your dog for any eventualities.

	<b>Introduced</b>	<b>Confident with</b>	<b>Calm and obedient</b>
<b>People</b>			
All ages (babies to elderly)			
All races			
All physical abilities/sizes			
With beards
